Re: Department of Defense Certification Letter Fiscal Year 2022

Dear Mr. Tenaglia:

I, Jeffrey A. Koses, as Senior Procurement Executive of the General Services Administration (GSA), certify in accordance with Section 801 of the National Defense Authorization Act for Fiscal Year (FY) 2008, implemented by the Federal Acquisition Regulation (FAR) 17.703(a), that GSA will comply with Department of Defense (DoD) procurement requirements for FY 2022, the requirements of FAR subpart 17.5 and GSA interagency agreement internal policy when conducting assisted acquisitions on behalf of DoD.

DoD laws and regulations that may apply to procurements of supplies and services include DoD's financial management regulations, the Defense Federal Acquisition Regulation Supplement (DFARS), DoD class deviations, and the DFARS Procedures, Guidance and Information (PGI) document.

The Commissioners of GSA's Public Building Service (PBS) and the Federal Acquisition Service (FAS) have assured me that their respective contracting offices will comply with DoD procurement requirements in FY 2022, the requirements of FAR subpart 17.5 and GSA interagency agreement internal policy when conducting assisted acquisitions on behalf of DoD.

If you have any questions, please contact me at (703) 605-5535 or email jeffrey.koses@gsa.gov.

Sincerely,
